

Exam 1 Statistics

- ▶ **Count:** 15
- ▶ **Maximum:** 92 (2 students: **Shen and Sebastian**)
- ▶ **Median:** 73
- ▶ **Standard Deviation:** 19.68
- ▶ **Average:** 66.13

Comments

- ▶ I thought the average was going to be lower
- ▶ The class did very well! Good job.
- ▶ Students who scored lower than $Avg - StdDev = 66 - 19 = 47$ should come and see me in my office
- ▶ Other students are more welcome to come and talk to me about their exam results
- ▶ Performance in Exam II and Final can nullify Exam I results
