

October 2, 2018

Dear ASCE Student Chapter,

The New York State Department of Transportation (NYSDOT) offers exciting and rewarding employment opportunities for those seeking a successful career in the field of engineering. Professional and technical positions make up a major portion of the NYSDOT workforce. The Department continuously recruits qualified candidates interested in pursuing a career in engineering. These positions exist in the follow areas:

- Design
- Construction
- Traffic Engineering
- Planning
- Engineering Materials
- Geotechnical Engineering
- Structures
- Transportation Maintenance

It is our hope that your office will assist our efforts by advising students that are currently enrolled or have graduated in your engineering program of the continuous recruitment opportunities available through the New York State Department of Civil Service (NYSDCS) for the following examinations:

- Engineer Trainee (Civil/Transportation)
- Assistant Engineer (Civil/Transportation)
- Professional Engineer 1 (Civil/Transportation)

For information on the minimum qualifications and to apply for these exams please review the attached announcements. We also encourage students to apply for these engineering exams by contacting the NYSDCS at <https://www.cs.ny.gov/engineering/oc/>

Our recruitment teams are always available to work with your Career Services Department to attend job fairs or arrange individual visits with student clubs/chapters. If you have any questions, please call (518) 457-4580 or email our Diversity Management Bureau at MO-DOTDiversityMailb@dot.ny.gov

Thank you for your assistance in sharing this information to provide students the opportunity to learn about the many benefits available when they join the team at

NYSDOT and experience a challenging and very rewarding career in New York State Government.

Sincerely,

Heather Childs
