

# VIP GRADUATE ADMISSION PROGRAM

## UTSA Engineering

### WHAT IS THE VIP PROGRAM?

Program for star Roadrunners (degree-seeking seniors) and alumni who have graduated within three years with a **minimum cumulative GPA of 3.0** and a **minimum discipline GPA of 3.3**

The VIP program is based on faculty nomination. The nomination serves as the highest form of recommendation for those students and alumni who demonstrate great academic potential and promise for success within the graduate program of interest.
