

\$1,000

Scholarship

The **\$1,000 Scholarship** is open to all undergraduate students who have completed 2 years of their programs in the **Mechanical or Civil Engineering departments**.

In addition to the scholarship, recipients may also be eligible for **paid summer internships** at USDA agencies and **research experience at UTSA research labs**.

Deadline: November 30, 2014

Application:

<http://engineering2.utsa.edu/index.php/undergraduate-studies/scholarships/>

ARE YOU INTERESTED IN...

- Receiving a scholarship, paid summer internship, mentorship from faculty in **Water and Renewable Energy?**
- Enhancing your **RESUME** with differentiated credentials?
- Becoming a **GREEN** engineer?

Female and Hispanic students are encouraged to apply.
